

### Prettiest Little Tree

There was a **tree** (stand tall)  
Such a pretty little tree (shake body)  
Such a pretty little tree (shake body)  
That I ever did see (cup hands around mouth and sing nice and loud)  
And the tree was in a hole (arms bent with hands down like shovels making a hole)  
And the hole was in the ground (arms out straight)  
And the green grass grew all around, all around, and the green grass grew all around (twirl around with fingers wiggling above head like little grass)

And in this tree (standing tall)  
There was a **branch** (one arm out)  
Such a pretty little branch  
That you ever did see  
And the branch was on the tree,  
and the tree was in a hole.....

And on the branch (arm out)  
There was a **twig** (pinky finger out)  
Such a pretty little twig...

And on that twig (pinky out)  
There was a **nest** (two hands cupped together)

And in the nest (cupped hands)  
There was an **egg** (one fist)

And in the egg (fist)  
There was a **bird** (fold arms to make wings)

And in the bird (wings at sides)  
There was a **heart** (hand on chest)

And in the heart (hand on chest)  
There was **love** (hug yourself)  
*And Cheer!*

#### Rinka Ranka Rosie Ray

Rinka, Ranka, Rosie, Ray  
Where shall we go today?  
Windows open wide,  
Sun might come inside

Rinka, Ranka, Rosie, Ray  
Where shall we go today?  
Oh the fields so bright  
Must be home by night

Rinka, Ranka, Rosie, Ray  
Where shall we go today?  
Down the squishy path,  
Exploring on the raft

### Ants go Marching

The ants go marching one by one hurra, hurra(x2)  
The ants go marching, one by one,  
The little one stops to suck his thumb  
And they all go marching down  
To the ground to get out of the rain  
Boom, Boom, Boom

The ants go marching two by two hurra, hurra (x2)  
The little one stops to tie her shoe...

The ants go marching three by three hurra, hurra (x2)  
The little one stops to climb a tree...

...

The ants go marching ten by ten hurra, hurra (x2)  
The little one stop to say The End  
And they all go marching down  
To the ground to get out of the rain  
Boom, Boom, Boom
